Guidance Notes for a Pre-Planning Meeting for a Single Dwelling

The applicant is advised that any advice is given in good faith and without prejudice to the formal consideration of any subsequent planning application. In accordance with Section 247 (3) of the Planning & Development Act 2000 (as amended), "The carrying out of consultations shall not prejudice the performance by a Planning Authority of any other of its functions under this Act, or any regulations made under this Act and cannot be relied upon in the formal planning process or in legal proceedings".

The applicant is advised to familiarise themselves with the policies, objectives and development standards of the current Kildare County Development Plan and any relevant Local Area Plans PRIOR to requesting a pre-planning meeting. Planners cannot determine an applicant's compliance with policies at a pre-planning meeting.

Requirements for pre-planning meeting.

A pre-planning meeting will not be arranged where the following information is not submitted with this application form:

1. Site Location map to a scale of 1:2500. The site must be easily identifiable and outlined in red.
2. Sketch of proposed layout.
3. Photographs of the proposed site. The location where photographs have been taken shall be clearly indicated on the site layout.
4. Sketch of proposed development.
5. Indicate any areas for concern you envisage in your proposal as submitted.

Upon receipt of a completed request form with the above-mentioned documentation attached, you will be notified of a date and time for a pre-planning meeting.

Please Note:

Where an applicant has received a decision to refuse planning permission on a site, it is not appropriate to hold a pre-planning meeting to discuss the refusal. The Planners Report relating to a decision is available for public viewing through the online enquiries system on our website and if the applicant feels they can overcome the refusal reasons, they are welcome to submit a new planning application.

The detailed requirements in relation to pre-planning meetings are detailed in Chapter 2 of the document "Development Management - Guidelines for Planning Authorities" (June 2007) published by the Stationary Office, Dublin and available online at www.environ.ie
